Educational Websites

Reading Rockets
Offers information and resources on how young kids learn to
read, why so many struggle, and how caring adults can help.

ABCMouse
An online learning program designed to prepare children for
kindergarten and beyond, and includes activities such as games,
books, videos, songs, and art.

ABCYa
ABCya provides over 300 fun and educational games for
grades PreK through 6. Games are categorized by grade
and subject, and cover topics such as multiplication, parts
of speech, typing, pattern recognition, and more.

Starfall
Starfall emphasizes exploration, play, and positive reinforcement
—encouraging children to become confident and intrinsically
motivated. Its emphasis on phonemic awareness, systematic
sequential phonics, and common sight words in conjunction with
audiovisual interactivity is especially effective for teaching
emergent readers, children of all ages with special needs or
learning difficulties, as well as ELL (ESL) students.
