FOR IMMEDIATE RELEASE

Beach Mosquito Control at the PCB Library

Beach Mosquito Control is coming to Panama City Beach Public Library for our Fizz Boom Bang Discovery Lab on Thursday, June 26 at 10:30 AM.

In addition to a video presentation and mosquito craft in the library, Beach Mosquito Control will have their helicopter and Education Trailer in the parking lot!

Mosquito health-related topics will also be addressed. Protection against the mosquito bite is taught by teaching the 5 Ds:

1. Dusk (Stay indoors during this time due to high mosquito activity)
2. Dawn (Stay indoors during this time due to high mosquito activity)
3. Dress (Cover your skin with clothing. Remember: Long pants and sleeves)
4. DEET (Protect bare skin and clothing with a DEET mosquito repellent)
5. Drain (Empty containers of stagnant water to prevent breeding of mosquitoes)

The event is free and open to the public. Children of all ages are welcome. For more information on this and other summer reading programs, call 235-5055.
