GET OUTSIDE THE LINES WITH Bay County Public Library

(Panama City, Florida) Bay County Public Library invites the community to experience the library in a whole new way. Libraries have transformed into dynamic centers for engagement to accommodate the growing needs of their community. READ EVERYWHERE, a series of Popup Library family events, is designed to reintroduce the library in unexpected locations. Learn more about your public library, get a library card, and have an adventure!

Outreach Librarian, Heather Ogilvie states *"Learn more at your Library! Visit amazing places unique to our beautiful Gulf Coast. Meet the dedicated people who make this a great place to live. We're taking our Library on a road trip because learning happens everywhere!"*

ABOUT OUTSIDE THE LINES

Outside the Lines is a global R-Squared initiative originally designed by Colorado library marketers and directors that gets libraries “walking the walk” – taking action to show communities how important libraries are and how they’ve changed. This weeklong international celebration takes place Sept. 11-17, 2016. Outside the Lines takes many of the concepts discussed at [R-Squared, The Risk & Reward Conference](#), such as creativity, customer curiosity, culture, community and creative spaces, and puts them into action where they count – in our local communities. Learn more at getoutsidethelines.org.
