FOR IMMEDIATE RELEASE

A UNIVERSE OF STORIES SIDEWALK STARGAZING SUMMER LIBRARY PROGRAM

(Bristol, Fla.) This year's Library Summer Reading theme is *A Universe of Stories*. Without access to books over the summer, students can fall behind on their reading skills. Libraries are a great place to reduce the "summer slide". A Northwest Regional Library System library card allows you to check out 20 items for 3 weeks at a time, which includes books, audiobooks, eBooks, ukuleles, dulcimers, and cake pans. The newest item to check out are telescopes which will allow you to search for constellations in your backyard!

Sidewalk Stargazing @ Your Library takes place at the Harrell Memorial Public Library on Thursday, June 20th at 9:00 p.m. to view the constellations, Saturn, and Jupiter. Learn how to observe the night skies with the naked eye. You can bring a flashlight, binoculars, and/or a telescope. It's an outdoor event. Dress accordingly. All ages are welcome to attend.

The program will meet outside of the Veterans Memorial Civic Center - 10405 NW Theo Jacobs Way, Bristol, FL. In the event of poor weather conditions, the event will be canceled. Check the Liberty County Public Libraries Facebook event page for up-to-date information.
